Holiday Celebration

The Music Department and Grade 3 classes are excited to present *How To Train Your Reindeer to Fly!* for our holiday concert on Wednesday, December 18th at 1:00 pm and 7:00pm in the school gymnasium. (Storm date Dec 19th).

COSTUMES:

All other students are reindeer and asked to wear “school clothes” or a Christmas outfit they feel comfortable in. The lights are hot and we will be moving and dancing!

Please bring a set of reindeer antlers and a pair of sunglasses.

Students with speaking roles are either Reindeer Cadets, Teachers or Elves, Santa and Mrs. Claus. Please refer to your child’s script for more information.

Entry to the concert is monetary donation at the door. The donations are used to pay for the Lighting and Sound Equipment that the school rents. Thank you in advance for supporting our concert.

Westwood Families Christmas Project 2024

A huge thank you to teachers, parents, students and community organizations and businesses for supporting our Westwood Families Christmas Project. Without your support we wouldn’t be able to provide such a wonderful support at Christmas for some of our Westwood families.

Each year our staff with the support of parents, churches and local business collect donations and/or adopt a family to help support at Christmas time.

If you are looking to help support one of our own Westwood students and their families at Christmas, please contact Cindy Wood our school counsellor or drop off any donation in the office at 902-368-6855.

We also have a Christmas Families Donation Button on our School Hot Lunches program. We still have many students & their families who we are hoping to make their holiday season festive.

Thanks for your supporting such a wonderful cause.

Wellness at School

In the past few weeks, we have seen a steady increase in the number of students sick at school. It is important to remember for all parents/guardians, students, staff and visitors to Westwood Primary School that you should not attend school if you are feeling unwell.

If you or your child has any of the following symptoms you should NOT attend school:

- Fever (38°C or higher) / chills
- New or worsening cough
- Body / muscle / joint aches/unusual headache
- Gastrointestinal symptoms (nausea, vomiting, diarrhea)
- Shortness of breath / difficulty breathing

- Sore/raw throat/consistent runny nose

Exemptions include on-going, existing conditions and symptoms that would not be new or unusual for that individual (e.g., chronic allergies, asthma, etc.)

It is important that we all work together to keep our school environment healthy for all students, staff and visitors so that attendance and staffing is not impacted by illness.

Morning Drop Off

Thanks so much to all our parents who are working hard to keep our morning drop off running smoothly with the large volume of traffic we are experiencing this year. ***We would ask that parents please keep children inside the cars until you see staff outside. We are not ready to supervise or receive children until staff are outside on duty (wearing a duty vest).*** Also a reminder that there is absolutely no passing or parking in the student drop off lane.

If you arrive after 8:30am in the morning and no staff are outside, you must take your child in and sign them in late. Our classes are already on the go and this ensures that we know they are here in the building and get them to their homeroom or specialist class safely.

Thanks for your help with keeping our students safe.

Looking for Clothing Donations

This time of year, we are always looking for extra donations of socks, underwear (boys & girls), shirts, sweat pants, leggings, mittens and hats. We also accept any snow pants that are in good condition that your child may have outgrown. Sometimes children have accidents at lunch times with food or just don't make it to the washroom on time and need a change. We greatly appreciate any donations to our school.

School Cancellation/One-Hour Delay Information

Information regarding school cancellation and delays due to poor weather can be found on the Public Schools Branch website <https://edu.princeedwardisland.ca/psb/storm-closure-information/>

Bus Safety

Parents/Guardians, as we move into the winter season it is more important than ever that the children are being safe and orderly on the bus. Please take some time to review appropriate bus safety with your children. All classes have had bus safety presentations, but from time to time they require review.

At school we stress the following when we talk with the students about safe and appropriate bus manners:

- 1) "Back to back & seat to seat" describes how they should be sitting on the bus
 - 2) Sitting at all times when the bus is moving and staying seated until the bus arrives at your stop
 - 3) Using a quiet voice - Level 1 (silence) or Level 2 (whisper, soft talk) voice.
 - 4) No eating or drinking on the school bus
 - 5) Keeping hands and feet on their own body
 - 6) When waiting for the school bus during winter weather we ask that you have your child wait in the driveway, **NOT on the side of the road**. Often vehicles cannot see the students because of the snowbanks
 - 7) Please remind the students that it is not safe to be playing in the snow while waiting for the bus
- Please make sure that your children are ready at their pickup location a few minutes prior to bus pick up time. Please keep in mind the bus cannot wait for students, as this can put the bus driver behind schedule at other schools. Most of our buses also drive for the junior high and high school. Please stress that everyone's safety is compromised when students are not following these procedures. Thanks for reviewing this important information at home.

Winter Weather and Wet Weather

This time of year, the weather is very unpredictable... it varies from very wet to very cold from day to day. Students need to bring clothing appropriate for the weather. Please make sure your child has mittens (preferably 2 pairs), hats, boots and snow pants/splash pants and a change of clothes for the kitbag. Extra clothes can be placed in a plastic bag and left on your child's hook in the classroom.

Breakfast Program Donations

If families are interested in donating breakfast food, we gratefully accept whole wheat bread, strawberry jam, Cheerios (plain or multi-grain), yogurt tubes, apples, mini-carrots and cucumbers. There is also an option to donate to the breakfast program on the January Hot Lunch menu.

Breakfast Program

A huge thank-you to our wonderful breakfast volunteers. You help our students have a great start to the day. **Please keep in mind there is no breakfast program when there is a school delay in the morning.**
